WHENS' AMPLET WILL RESTORE, PRESERVE AND cleanes the hair. It is no barber's, self-styles processor's or unknown individual's preparation, like the innumerable injurious or good for nothing humbugs of the 6ay. The Amielet was invented by Ir. Samuel M. Elliott, the well known ocullet, as per his certificate below. I willing to derive any pecuniary perdit from it, and wanting lesures to prepare it for the constantly increasing demand from his friends and policies, among whose letter of the fact the years has been in the habit of gratuitously distributing it, he has presented me with the recipe of the same, so that the public can now enjoy the benefit of this most valuable care for baldness. Retail price 50 cents per bottle. For sale by dreggiets generally, and M. WILKIN, No. 44 Maiden lane, New York.

New York, June 4, 1865.

This is to certify that I have given M. Wilkin the preseription for restoring and improving the hair, and known

fortunate's Friend." Afflicted take notice—no other re-medies can cure you radically. Sight cases cured is a few hours, nothing else does it. No. 50 Canal street, one does not of of Broadway, is the place to get this rapid and thorough remedy—nowhere else in New York. A cure warranted by In. Ward. Patients anxious for re-lief may rely on a rapid cure by his treatment, without taxing the system.

M EDICAL—\$2,000 CHALLENGE—DR. CETRANDIER, 419 Fearl street, second door from the drug slove, challenges the entire medical world \$2,000 against \$1,000 in the cure of rheumatism, heart disease, economytion, errofula, cameers, piles and sores. in the cure of rheumalism, heart disease, consumption, servofula, cancera, piles and sores.

PRORIPS PRACTICE—NOTICE OF RESERVAL—THE to undersigned, formerly a popil with Ricord, of Paris, and with the oriebrated surgeons of this city, fire. Carnochan and Mott, informs the public that he has removed and permanently established his consolding and dispensing recent at 518 Broadway, for the cure of diseases. He tenders to all afflicted positive assurance of relief, and those who have been abused by "specifies," antidotes, little books, "no mercruy," and like effusions of the momentous medical charitatus of the day, may rely on heaving their cases treated effectually no matter how complicated they may appear. His extended observations in the famous Hospital da Moli, in Faris, under Riccord himself, together with the many new and efficient remedies of this eminent arrognon, render failured impossible. It may be mentioned, for the information of quatteriar residing in the country or distant cities, that they can at any time consult the subscriber by letter, giving a plain statement of their case, when the necessary medicines adapted to it will be prepared and sent to them. Recent cases cared without any delay. Charges quite moderate, and the most candid information given in every instance. His treatment of constitutional, servindrus, mercurial and nervers diseases a based entirely on the motience and improved science of medicine, and has been emineerly necessful. Committed to 9.
